PRAY FOR OUR NEIGHBORHOOD

What do I pray?

Pray as the Spirit leads at each home. Pray by name when you can. God knows each person and fills the gaps in our prayers.

Salvation. May the whole household surrender to Jesus Christ as Lord and Savior, changing generations.

Marriages. Strengthen, heal, and restore marriages. Give the Enemy no foothold to kill, steal, or destroy.

Health. Protect physical and mental health; bring healing and restoration.

Kids and students. Protect the young from suicide, depression, fear, and anxiety. Give parents wisdom. May young people know Jesus as Lord and Savior and be gospel ambassadors who live out the Great Commission.

Provision. Provide jobs, finances, and daily needs. Inspire generous hearts toward neighbors in need.

Repentance. Break strongholds through confession and repentance. In Jesus' name, destroy idols of anger, addiction, unforgiveness, and sexual immorality.

Unity of believers. May neighborhood Christians be bold and loving, working together to advance God's Kingdom through radical generosity and evangelism.
