LETTER FROM PASTOR JOBY

This has been an incredible season of life-change in our church as people continue to discover and deepen their relationship with Jesus Christ. God's people need a shepherd, and the Good Shepherd is still speaking to His sheep. As you look through the pages of this discipleship guide, be encouraged and celebrate all that God has done in us, through us and to us.

As we approach the midpoint of the 10:10 Life two-year discipleship journey, be challenged by all that God continues to call us to; put your yes on the table and take a step of obedience; you have no idea what hangs in the balance. The gospel message is urgent, and we do not take it lightly. So, while our initial outpouring of generosity and commitment to this journey has been unprecedented, we will not rest. There is no stopping when it comes to leading people to Jesus, Who is the abundant life, and God keeps opening more doors for us to do so as a church.

We will continue to focus ourselves on John 10:10:

"The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly."

Unlike a thief, Jesus did not come for selfish reasons. Jesus is the abundant life and chose us to be in relationship with Him. Imagine our lives being defined as the fullness of what God had in mind when He came up with the idea of us. This initiative is about the character and nature of God and our response to Him. The ultimate form of worship through generosity is bringing your first and best.

Whether you are new to this journey, staying faithful through it or deepening the commitment of generosity the Lord has called you to, leverage everything God has given you for His glory and invest in the eternal. Thank you for being on mission with us; I love you like crazy and want so much for you on this journey.

Be free,

Pastor Joby

WHAT WE SET OUT TO DO

“I CAME THAT THEY
MAY HAVE LIFE AND
HAVE IT ABUNDANTLY.”

10:10 LIFE TWO-YEAR DISCIPLESHIP JOURNEY

What would it mean for our generosity if we were to deepen our understanding of who God is and respond with an eternal perspective, compelling us to love Him with our all and move to a new level of generosity?

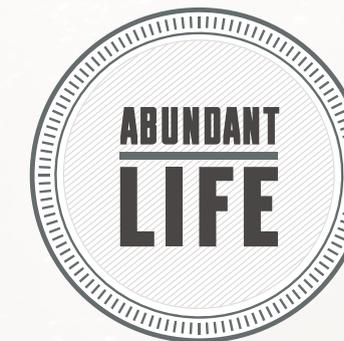

In October 2022, we began a two-year discipleship journey challenging all of us to take significant next steps in obedience for what God was calling us to in this next season. While God has significantly blessed and equipped our church for such a time as this, this is not about Eleven22. This is about Jesus and His power at work within us.

PRIMARY GOAL

THAT EVERY ONE OF US WOULD ASK OURSELVES,
“AM I LIVING THE ABUNDANT LIFE OR AM I CHASING
THINGS THAT WILL NEVER TRULY SATISFY?”

SECONDARY GOAL

\$110 million to accomplish three gospel-centered initiatives over the two years.

INITIATIVE ONE

\$50 MILLION

Jesus, through the gospel, came to tear down the wall of division, so that we could be **one church** gathered at His feet.

We respond by **glorifying God** in worship and Word through the declaration of

the gospel and making disciples that make disciples.

Through your generosity, we as a church set out to ensure that anyone who calls The Church of Eleven22® home would have a place to **be discipled.**

Together, we do this through:

- Campus operations
- Disciple groups
- Eleven22 Kids and Students
- Eleven22 Life
- Eleven22 Online
- Next steps

INITIATIVE TWO

\$32 MILLION

God's plan of **salvation** for the world is the hope of the world coming through the gospel as delivered by the **local church**.

Jesus Christ is the same yesterday, today and for all of eternity. He has called us to be a part of eternities changed, by reaching **one more** in Jacksonville and beyond.

During the 10:10 Life we set out to:

- Plant 200 more local autonomous churches
- Send 15 more long-term missionaries
- Continue to launch Eleven22 campuses
- Complete the San Pablo parking construction

St. Johns permanent campus

Church Plant: Maputo, Mozambique

INITIATIVE THREE

\$28 MILLION

The Enemy does not want an abundant life for us; he wants to take everything. As God's children, He called us to **rescue** the people that the Enemy is trying to take out and show them the love of Jesus, Who is the **abundant life**.

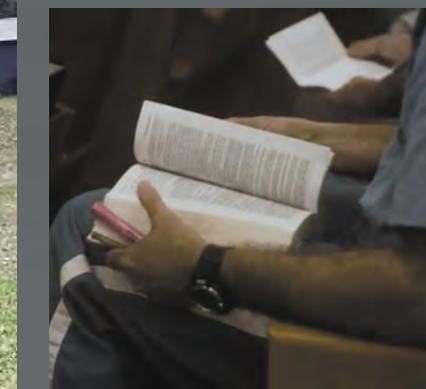

We set out to:

- Continue to fight against childhood poverty, both locally and globally
- Partner to stop the practice of abortion and care for those who have made this choice in the past
- Advocate and care for foster kids, as some of us will be called to foster and others of us

- will be called to care for these families
- Fight for the lives of those who have been trafficked and partner with organizations to rewrite their story by sharing the truth of the gospel with these individuals
- We are asking God to open doors for us to continue to launch prison campuses across North-east Florida, including our first campus in a women's prison and across the state line into Georgia

- Continue to roll out the red carpet for families in the special needs community with a focus on adults with special needs
- Come alongside our first responders and help support them in the fight for our community
- Honor, love and care for our senior adults, while continuing to equip them to fulfill the Great Commission at every stage of life
- Fight for the mental health of people in our community, particularly those with thoughts of suicide and families that have walked through this tragedy

WHAT GOD HAS DONE

CHURCH LIFE

AS LONG AS OUR DOORS ARE OPEN, WE WILL LEVERAGE OURSELVES AND HIS CHURCH FOR HIS KINGDOM. AS WE REACH THE MIDPOINT OF OUR 10:10 JOURNEY, CELEBRATE WITH US LIVES CHANGED AS A RESULT OF YOUR GENEROSITY THROUGH THE CHURCH OF ELEVEN22.

ELEVEN22 STUDENTS

I accepted the Lord when I was seven. I knew Him but had not really taken complete ownership of building that relationship. I am going into my senior year of high school, and I have been in the student ministry here at Eleven22 since I started middle school.

Eleven22 Students has helped me grow in my knowledge and relationship with the Lord. I have been lucky enough to have awesome leaders in my group. One of my leaders, Josh, has been with us (my group) since 7th grade. I tried to run him off, but he stuck it out and has helped me to lean in and put the Lord first. He has listened through the struggles, he challenges me to get in the Word to pray and he always makes himself available.

The leaders and our Student Minister genuinely care about our walk with the Lord and want to help us to grow and take complete ownership of our relationship with the Lord. Mike, our Student Minister, makes it his priority to push us to learn about the Lord and reminds us always that we

are an image bearer and should reflect that in our daily lives.

We are given many opportunities to do

things both inside and outside the church through things like One Weekend, where we worship and learn about the Lord and then go out and minister in the community; going to church camp, which lets us get away from the things of the world and plug into learning about the Lord; and going on mission trips like the one we just did in Jamaica. There are so many opportunities to learn and also minister to others.

The student ministry really wants to get us ready for when we leave Students, so that we know that we can turn to the Lord in all of our decisions and when we have tough times. I am super thankful for this ministry and what I've learned through all of the leadership at Eleven22.

DISCIPLE GROUPS

Being a part of a disciple group has grown me as a man. It has strengthened my marriage, it has refined me as a parent, it has taught me what it really means to walk alongside Jesus, in community with fellow believers.

Disciple groups intensify the “deepen” in my relationship with Jesus. That “deepen” has woven six or seven men into my life from the 6am men’s group that I have attended Fridays for the last four years. I can’t wait to see these guys and hear how the Lord has led them as we study and share fellowship, encouragement and prayer.

DISCIPLE GROUPS

I’ve been in a number of disciple groups throughout my life, and I would say the group that I’m currently in is without a doubt, the most

supportive, powerful and loving group of men I’ve ever been a part of! When we gather, the Holy Spirit is present. We can be transparent with each other without fear, shame or guilt

“WE CAN BE TRANSPARENT WITH EACH OTHER WITHOUT FEAR, SHAME OR GUILT OF ANYTHING THAT WE HAVE DONE IN OUR PAST.”

of anything that we have done in our past. We lift each other up and we support each other like I’ve never seen before. This has allowed me to find my faith at a deeper level. As we learn from each other, from the oldest to the youngest, we exchange ideas and support each other in our struggles to become more Christlike each day.

When I was first invited to this group, I was in a period in my life where things looked very uncertain and the only thing I could turn to was my Lord and Savior, Jesus Christ. He then opened this door of opportunity for me to be able to be in this group and I thank Him

so much for looking out for me when I could not do it myself. It has made such an impact in my life, and not just spiritually, but growing in maturity as a father, husband and friend. When you realize that you aren’t the only one going through struggles and you know that you have the support of others who are going through similar things, it makes all the difference in the world.

One of the highlights of the group is the fact that we go over a multitude of different topics. From the sermon we hear on Sunday, to the different book discussions that we have, it just continues to strengthen me and the brothers in my group in so many different areas of our lives. The verse that comes to mind when thinking of our group is Proverbs 27:17: “as iron sharpens iron, and one man sharpens another.” We live out that verse in our disciple group and many lives have been changed because of it.

I encourage every person to get into a disciple group, because that is where we not only make church community more intimate, but it also helps in the times when you feel isolated and no one is there for you. These men have become my brothers in Christ and they are my family.

ELEVEN22 ONLINE

I first began attending Eleven22 back in 2011, when it was just a service at Beach UMC. With a lot of shuffling around and moving in my life, it took a few years for me to land back at Eleven22, but I finally did and began attending in person. In 2017, I moved overseas. I still felt a connection with Eleven22 and would download and listen to the sermons once they were posted online, but that was the only connection I really had.

But then 2020 and the pandemic hit, and as difficult as things have been since then, there have been so many blessings that have come from that—mainly the fact that Eleven22 Online launched and I could watch the services live, worship included! Online disciple groups also became an option, so I was able to join one, which has been amazing and has been a great way for me to connect with my church family, even though I live half-way around the world.

Another wonderful opportunity that happened because of Eleven22 Online was that I was able to start serving online. Livestreaming the services had already become part of my normal schedule, and it seemed like a natural next step to begin serving online. It's wonderful having this chance to serve my church and not just be a consumer, even though I cannot physically be present at a campus.

Before the pandemic, there didn't really seem to be any way to serve because of my geographical location. But once Eleven22 Online started, that opened the door for serving online; it doesn't matter where I am geographically located, I am able to serve my church.

Before 2020, I knew Eleven22, and I considered it my church, but nobody knew me. It felt like a one-sided connection. I considered Eleven22 my church home, but nobody knew who I was and while the thought of visiting Jacksonville when I visited the states again was a nice thought in my mind, it didn't really feel like an option. Now, because of the Eleven22 Online opportunities, I feel known and connected and like I can walk into a campus one day and connect in-person with people I already have a bond with. It feels like a church family that I belong to, instead of just something I listen to.

BEACH BAPTISM

For most of my life, my walk with Jesus has been lukewarm. I was raised in a Christian household by parents whose faith continued to grow as we got older, and my sister and I got to witness that. There was no lack of Christian influence in our young lives. I accepted Christ as my Lord and Savior in middle school and prayed to Him often throughout my life in times of need. But I never got baptized and I did not behave in a committed way in my walk with Christ.

In my late teens and early twenties, I floated adrift through my life. Personal traumatic experiences from my early teenage years plagued me mentally. I allowed myself to be treated poorly by others, because I felt worthless and insecure of who I was. In many ways, even in this "prodigal period," I know the Lord was there. He continued to be good, gracious and present, even when I was not being obedient. He never left me.

In 2020, my first husband and I separated for the first time. After only two years of marriage, we divorced in April 2021. That moment was the catalyst to my return home to Jacksonville, Florida and my realization that I desperately needed to reconnect with God; that I needed spiritual help and the support of my family.

My sister was attending Eleven22 and insisted I come with her to a service. I have never felt so connected to a church body from one single service. They said, come down front for

prayer and I was connected with a church mentor who followed up with me. Three years later, we still have a relationship. It was clear to me, as soon as I reached out to Jesus, that He had been waiting for me and He was telling me, "Here I am." I knew Eleven22 was my home.

I had wanted to get baptized, in previous years, but I was sick or busy. Fast forward to 2023, and I was determined that nothing would stand in the way of me publicly proclaiming Jesus Christ as my Lord and Savior. I have received overflowing goodness from God in the past year (moving into a new home, getting remarried, our first baby due in June, etc.). I could hear God's call to demonstrate this act of obedience and declaration. Instead of being discouraged when I realized I would be 39 weeks pregnant at Beach Baptism, I was excited and empowered. I knew this was an opportunity to have Him in the center and to be sanctified in preparation for our daughter's arrival. My experience at Beach Baptism was such a beautiful gift. I am so thankful for how His unending love has transformed my life. I am valuable because He is worthy.

THE GREAT COMMISSION IS TO GO—WE ARE IN THE FIGHT AND ON THE MOVE TO REACH ONE MORE.

CELEBRATE WITH US ETERNITIES CHANGED THROUGH ELEVEN22 CAMPUS LAUNCHES, GLOBAL CHURCH PLANTS AND SHORT AND LONG-TERM SENDING.

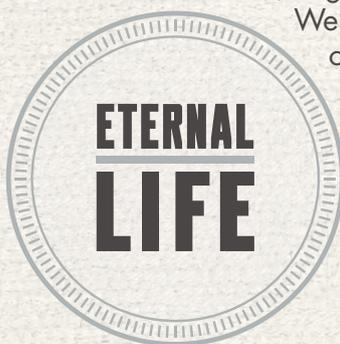

CHURCH PLANTS

I'd love to tell you about the exciting things God is doing through City Church Chelmsford. To describe how our move into a local school has helped more and more people connect with us. To tell you about our biggest Sunday attendance ever as we dedicated children from six families. To explain the amazing building that we're trying to buy and develop. To list the exciting developments in "Mission Essex," our county-wide, church planting and revitalizing initiative. I'd love to tell you all about those exciting and positive things.

But, the truth is that the past six months have been defined by painful losses. Death after death, wave after wave, has crashed into the heart of our church, including my own life. So, we feel bruised and beaten, fearful of the next loss. It's been our hardest season. Harder than launching into the teeth of the pandemic. Harder than "bending" our vision and practice to integrate a declining church into our new church plant. It's been a heavy six months!

There has been a "silver lining" to this difficult season. We've drawn near to each other in loss; hugging and crying together.

We're more aware of each other; especially our frailties and we love each other more. A recently widowed woman shared this week how she's being invited to more meals than she can accept—

even five months after her loss.

Most of all, we've drawn nearer to God. After all, what hope other than the resurrection power of Jesus Christ can we look to from the shadows of death?

We've sung hopeful songs through the tears. We've travelled through the story of Joseph on Sundays, the highs and especially the lows. And our hearts have been encouraged again and again to see God's faithfulness to him every step of the way, even when he couldn't see that. Even when everything seemed against him, Joseph said, "You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives." Genesis 50:20 NIV. And that is our hope as a church: that God is working for our good, even in this season of loss and tears.

SARASOTA

Our lives have been forever changed by the profound impact of The Church of Eleven22. It is with immense gratitude and joy that I share our journey, a testament to the transformative power of faith and community.

It all began when I believed I was being a witness to a friend; little did I know that this friend would introduce us to The Church of Eleven22. In an unexpected turn of events, this friend shared the *Act Like Men* sermon series with me. From that moment on, our lives took a remarkable turn.

As a family, we eagerly embraced this newfound source of spiritual nourishment and started watching the online content of Eleven22 from the comfort of our home. Pastor Joby's authenticity, wisdom and passion resonated deeply within us, igniting a flame of curiosity and hunger for more.

In our pursuit of spiritual growth, we met Josh, who frequently referenced what sounded like the *Act Like Men* series. We discovered that his family hosted the Sarasota gathering of Eleven22 at their home each week—a clear sign that God was leading us to a place where we would find our spiritual home.

Stepping into their home, we experienced the warmth and love of the Eleven22 community like never before. It was a feeling we had never experienced—a sense of belonging that extended far beyond blood relations. We were embraced with open arms and the authenticity and genuine care we encountered were overwhelming. Months turned into years, and during that time, our connection with Eleven22 deepened. We had the privilege of meeting Pastor Joby in Jacksonville, and his passion, humility and unwavering commitment to spreading the message of Christ left an indelible mark on our hearts. It was in that moment that we knew deep

within us that we wanted to be a part of the journey of planting a Sarasota campus.

The Holy Spirit's work in our lives through Eleven22 has been nothing short of transformative. Our faith has been strengthened, our understanding of God's love has deepened and our sense of purpose has become clearer. The teachings, worship and fellowship we have experienced at the Sarasota gatherings have enriched our lives in immeasurable ways.

“THE TEACHINGS, WORSHIP AND FELLOWSHIP WE HAVE EXPERIENCED AT THE SARASOTA GATHERING HAVE ENRICHED OUR LIVES IN IMMEASURABLE WAYS.”

We are eternally grateful for the impact Eleven22 has had on our family. It has provided us with a spiritual home, a community that loves and supports us and an unwavering foundation of faith. We eagerly anticipate the future as we continue to grow in our relationship with God and actively participate in the mission of The Church of Eleven22.

SHORT-TERM MISSION

I became a believer in 2017. From then on, I began to learn of my role in the kingdom and the local church, but never once did I label myself as a "missionary." I sat through years of messages on being a "sent" Christian. "Here I am, please don't send me," I told the Lord. That's just not my calling in life, I thought.

Fast forward to 2021 and the Lord had blessed me with a kingdom-community beyond what I'd ever dared to dream. Through these faithful Bible-believers and loving friends, I began to see the necessity of the Great Commission—not just in my community and nation, but to the ends of the Earth—as Luke describes in the book of Acts:

"Won't you join Me?"

In this simple yet profound nudge of the Holy Spirit, my eyes were opened to the command given by Scripture that I had neglected for so long. As I further dove into the Lord's heart through His Word, I saw His love and compassion for the people in unreached areas. So, that summer, I decided to spend two weeks in Zanzibar, Africa, on mission to the unreached Muslims in that nation. Afterwards, I once again felt the nudge of the Holy Spirit, as He planted a seed to begin the road to discerning my call to long-term mission.

I debated this calling for about nine months, until I was attending a weekly service at Eleven22. We had just started a new sermon series called *The Next Thing*. Pastor Joby asked, "What would you do for the glory of God if you knew you couldn't fail?"

“BE A MISSIONARY TO UNREACHED PEOPLE GROUPS!” screamed my soul.

“The next thing that you and I are to do is the thing that brings the most glory to God. The next thing is to be obedient to God in exactly what He is telling you to do,” Pastor Joby said. As if I was the only one in the room, the words cut straight into my spirit and I knew what I had to do.

After service, I immediately applied to a three-month, long-term mission training program geared toward reaching unreached people groups. I was scared out of my mind, but had supernatural faith and confidence that this was my “next thing.”

I can now utter the very words, “Here I am, send me” with no hesitation or fear. How different this is from when I first became a believer! Through the 10:10 Life discipleship journey, I will spend three months in Mozambique and Zambia, Africa, learning how to reach the thousands of unreached people groups on this Earth. I’m not sure how the end will play out—only He knows—but I can’t wait to see what’s on the other side of this “yes.”

Christine Gonzalez

SHORT-TERM MISSION

As a part of the Eternal Life initiative of the 10:10 Life discipleship journey, we are being sent by Eleven22 to New Life Church in Malawi, Africa to be long-term missionaries. A year ago, if you had asked us to find this place on a map, we could not have done it. We met on a mission trip to Latin America in 2019 and both felt like we were called to global mission, but the when and the where was still yet to come. After dating, engagement and marriage, we started trying to discern where the Lord was sending us.

After much prayer and conversation with our community, we knew God was calling us to go and be a part of all that He is already doing in Malawi, and through the 10:10 Life we will be sent to take the gospel to the ends of the Earth.

We can't wait to serve New Life Church in Malawi and we can't wait to step out of our context into another and see all that the Lord will do. The best thing is we aren't going alone—we get to partner with our church family in bringing the gospel to the underserved and under-resourced.

FOSTER CARE

For us, choosing to foster is much like the old "Starfish Story" by Loren Easley.

One day a man was walking along the beach when he noticed a boy picking something up and gently throwing it into the ocean. Approaching the boy, he asked, "What are you doing?" The youth replied, "Throwing starfish back into the ocean. The surf is up and the tide is going out. If I don't throw them back, they'll die." "Son," the man said, "don't you realize there are miles and miles of beach and hundreds of starfish? You can't make a difference!" After listening politely, the boy bent down, picked up another starfish, and threw it back into the surf. Then, smiling at the man, he said..." I made a difference for that one."

"...THIS IS WHERE WE WERE BEING LED TO SERVE."

We discussed fostering years ago when our kids were just babies. It has been in our hearts for a while now. When the 10:10 Life initiative was announced and foster care was a part of it, we immediately looked at one another and smiled in agreement that this is where we were being led to serve. After the service, on the way home that day, we shared why fostering was important to each of us and talked about what our journey may look like.

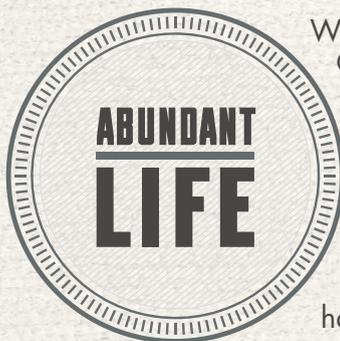

and security that we can provide while their biological parents find healing. Through our training, we learned we may have the opportunity to mentor and help the children's biological parents as well. Like the starfish, we may not be able to save them all, but to the children and families we are called to serve, with God's help, we can help to change everything for them.

We are looking forward to providing love, safety and security for the children who come into our home, and also to being a place of light and hope for their parents. We understand that, many times, being placed in foster care is a generational cycle, and we can only imagine what the impact on the world will be when that cycle is broken, one family at a time. We believe in the value of life and that every life is a gift from God. We feel called to action to help support the need for foster-care families.

As a family, we have talked about what fostering may look like and we understand it may not always go the way we envisioned, but either way we are here to serve. We have been truly blessed and we can only hope to be a blessing to those we are serving with and for on this mission.

**Womack Family
North Jax campus**

Watching each child explore God's creations in the world around them and witnessing children's lightbulb moments has forever brought us great joy. When it comes to foster children, we believe that every child has a need for love, safety

The same day the world shut down, my sweet, Jesus-loving mama was diagnosed with pancreatic cancer. My siblings all live in Alabama and Covid restrictions prevented them from coming to Jacksonville, so it was just mama and me—and cancer and Covid. She lived for only eight weeks after her diagnosis. I had never known fear like this before. Not only was the whole world seemingly falling apart, but my own little world was too.

So began my quest to defeat fear. I started to read every Scripture that had the word “trust.” I wrote down every verse and turned them all into weapons to use against Satan and his right-hand man, fear. When I had read all the “trust” verses, I asked Jesus to reveal to me other weapons I would need: grace, forgiveness, peace, strength, kindness, joy and hope.

One day, I was reading about spiritual gifts. I knew what the gifts were, I knew which ones

God had given me—teaching, encouragement, hospitality—so there I was breezing through this Scripture when the Holy Spirit stopped me in my tracks. The notes at the bottom of the page said, “The purpose of the gifts is to build up the church.” I’d heard that my entire life. Why did it sound different that day? My time with Jesus went in a completely new direction. “Jesus, can You please show me how You want me to use these gifts for building up the church and increasing Your kingdom?”

I had started my 30th year teaching, which is when you’re eligible for retirement in

Duval County. Instead of retiring, I enrolled in DROP—a deferred retirement option plan that would allow me to work up to five more years and accumulate about \$200K in additional retirement money. Now, it doesn’t compare to the “crown of life,” but it is a pretty shiny reward for those of us in Duval County Public Schools. At the end of those five years, I’d collect shells and read for fun for the rest of my life.

God had other plans. Abundant life plans.

One night after Saturated, my daughter Hannah and I were debriefing in the parking lot at the Arlington campus. She said, “I want to ask you to do something and I don’t want you to say no until you have prayed about it. There’s a Kids Minister position open that I think you would be a great fit for.” I didn’t say no (not out loud anyway) and since I told her I would, I prayed about it.

Pastor Joby introduced 10:10 Life and asked, “What would it look like for you to live out His plan for your life?” He said, “There is no retirement in God’s kingdom” and that people my age are on the JV team and God has plans for us. Retirement and collecting seashells...not in God’s plans for you! Was He really calling me to this drastic life change?

“GOD HAD OTHER PLANS. ABUNDANT LIFE PLANS.”

Three months later, surprising everyone but God, the Kids Minister position opened at the Baymeadows campus and I was offered the job. The Bible says that when we draw near to God, He will draw near to us. I am trusting God—I want to do whatever He tells me to do. I want to hold fast to Him and drop my grip on everything else—even \$200K.

As a Jacksonville Sheriff's Officer, my life verse has been Joshua 1:9 NIV "Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go." But, I never imagined how that verse would come alive on February 23, 2023, when I faced a battle for my very life with a suspect who intended nothing but harm for me.

While responding to a call, I was severely injured and found myself in need of support and encouragement as I started my long journey to recovery.

I knew very little about the 10:10 Life discipleship journey at Eleven22, but almost immediately found myself and my family experiencing firsthand the amazing support available to us. Whether it was tangible support or visits from the team that brightened my day, I felt incredibly blessed by this ministry and want to be a blessing to others in this very challenging and difficult work that we are called to do.

As police officers, we see the worst that humanity can dish out and our families don't necessarily understand the horrors of what we can experience every day. That's what makes the support of the 10:10 Life and First Responder Ministry so special. Everyone understands; everyone has experienced those life-changing calls, witnessed the unspeakable...yet through this support, we are able to continue to work within our personal mission field and provide the care that our community and citizens need and deserve

while maintaining a work/life balance that is based on a foundation of faith and trust that God and my support group at Eleven22 have my six.

Those first few days and weeks after I was beaten are something of a blur. My jaw was wired shut and the headaches and pain were overwhelming. My children, aged five, six and thirteen, didn't know what to think and worried when I

was not in their immediate sight. The resources provided through the First Responder Ministry were tools and support for all of us as a family and helped us all to move forward, past our fears.

Returning to work is going to bring new fears and concerns to the surface in all of us, but I am confident in my faith and know that God has other plans for me. As part of my recovery, I hope to be a beacon of hope to others within the profession who face their own difficulties, and let them know that just as God was there for Joshua and gave him the courage to sustain him, I can be there to help lend a helping hand and a listening ear when circumstances are difficult.

When I think back on my 27-year career with Jacksonville Fire and Rescue (JFRD), there there are specific incidents that are forever burned into my brain. I have delivered babies

on the side of the road, pulled severely injured people out of mangled cars and held the hands of someone as they took their last breath, knowing there was nothing I could do for them.

One of the highlights of my career was teaching EMT and paramedic students. I could teach them how to perform lifesaving procedures, but the fire service as a whole is not good at teaching skills and techniques to protect us from the trauma and compassion fatigue that is always present in this line of work. That's why I am excited about the First Responder Ministry at Eleven22 and want to make supporting this ministry a priority in both my personal and family life.

My family is a three-generation fire-fighting family. My father retired from JFRD, I am retired from JFRD and my daughter is currently in the fire academy and plans to follow in our footsteps. I want my daughter to understand that it's okay to talk about the things that we see and experience. It's okay to need support and encouragement; it doesn't make you less

of a firefighter or paramedic, it may help you to be a better one.

I have seen too many of my peers suffer from addiction, depression, failed relationships or worse, find themselves at the point of suicide because it's not considered "okay" to discuss the fear and pain this sort of work will always bring. My hope is that through the First Responder Ministry, I can be a support too and help fellow first responders through the rough patches that we will all face and do it in a way that other first responders understand, as we are a unique group!

I can pray for those who are hurting. I can reach out to the many, many folks that I know across the first responder community to provide encouragement and a listening ear. I can share my own personal experiences and challenges along with how I have tried to overcome them. And, I can be a positive light in a profession that often only sees dark.

I look forward to the growth of the First Responder Ministry through 10:10 Life and can't wait to see the good that it will bring to our community.

As I sit down to write this, I wonder where to begin. In 5th grade, after leaving the school and church I went to for my whole life, I entered a new public school without a church home. My anxiety skyrocketed and I ended up in the hospital with a diagnosis of obsessive-compulsive disorder (OCD). It was scary and frightening, but somewhat comforting to have a diagnosis.

My family started attending The Church of Eleven22 and I got saved during my first service. This was back in 2013 and Pastor Joby was talking about having faith the size of a mustard seed. I cried out to God and said "That's all I have."

After surrendering my life and starting middle school, things got much better and my OCD basically shrunk into nothing. However, in 2022, I was faced with some hard, traumatic experiences, including my dad leaving and filing for divorce (which was completely unexpected and heartbreaking).

"IF YOU FIND YOURSELF FEELING SUICIDAL, REACH OUT...CRY OUT TO GOD. JESUS IS ALWAYS THERE TO WRAP HIS ARMS AROUND YOU."

My OCD came back with a vengeance, and it started to convince me that I was going to lose people that I love. It was completely debilitating. I was in a constant, sick state of anxiety and was trapped in an endless loop. In January of this year, I Baker Acted myself because of these thoughts. They started to become so overwhelming, that I wanted to take my own life. I entered a 30-day mental health clinic in

order to try and get some relief and answers.

Through the inpatient stay, I got a lot better and learned so much about Jesus and His goodness and purpose for this pain. Then three weeks later, I found myself on the bathroom floor, desperately gasping for air and crying out to God, begging for Him to take away these negative, intrusive thoughts.

I went back to the hospital because the suicidal thoughts were so prevalent and I felt hopeless. But God. I felt and saw Jesus working in and through the entire staff at the hospital. I was so broken and they prayed for me and encouraged me. I'm still on this journey and still struggling, but I know that the Lord is going to use my story and my heartache to bring others to Him and for that, I am forever grateful.

If you find yourself feeling suicidal, reach out to friends and family and cry out to God. Jesus is always there to wrap His arms around you in the moments of deep, crippling pain. Always remember, people would rather sit and listen to your struggles than attend your funeral. You are all so loved and valuable and so is life. I'm thankful that I have the desire to start living it again.

My wife and I about 3 years ago lost our twins when my wife was about 8 weeks pregnant. Their names (I am pretty sure they would have been a boy and girl) we were going to name them Madelyn and Alec. I never felt compelled to sponsor a child but, on a whim, I decided to text the 83393 number and the child they sent me, her name was Madelyn. I know that is not a coincidence. It was all God. My wife and I signed up immediately. Great message Pastor Joby, thank you for the encouragement and the challenge. I love being pressured out of my comfort zone.

Ethan was a miracle from the very beginning. He was born at 32 weeks, gestation due to having a stroke in utero. We were told that there was brain damage, along with many other issues and that he would more than likely not make it or ever leave the hospital. needs.” Ethan knows that he is different but is not sure why and hates that he cannot be like everyone else. He wants friendships, hangout time, and typical teenage stuff. Between some deep depression and bullying at school, Ethan decided that the world would be a better place without him, and in January of this year, he tried to take his life.

That has been the hardest thing that we have ever been through as a family. Ethan started hanging out with a friend named Ava and going to Eleven22 Students on Tuesday nights. Soon he became a part of the “McArcher” family, as we call them. Jason, Ashley and the whole family have embraced our sweet son like their own. They have not only loved on Ethan but our entire family during these tough months. They bring food, watch other kids, call, text etc. Ethan’s whole demeanor has changed; not every day is great or perfect in any way, but he is slowly starting to see his worth.

Since Ethan entered high school, he has truly struggled with being “special

PRISON CAMPUSES

I was a chapel clerk at Baker Correctional, when Chaplain Kopp showed up to evaluate the chapel for upgrades to allow for Eleven22 sermons to be broadcast to the inmates. As I spoke with the team, I found out that we were to be an official campus, not just a place for the ministry team to visit!

I remember what they dubbed the “beta” service. Pastor Joby preached on redemption. He used the illustration of a time his dogs escaped his yard and he found them at the pound. They told him that to get his own dogs was close to \$200, but to adopt any other animal was \$50! So, he signed away his ownership of them to the pound, walked out the door and walked right back in and adopted his dogs back. What a powerful image of God doing everything to bring us back to Him!

For the next two years (minus the Covid lockdown), I spent every Monday handing out notecards and materials for study and working closely with the team to help other inmates. Even if I had not been a chapel clerk, I know the teams would have been there to help me. I watched them pray over, anoint and offer assistance to the men getting out of prison. They were a picture of Christ’s love to us. I would spend the time in-between services

getting to know the character of these men and enjoyed discussing God’s Word with them.

Once I was released, I started going to the Arlington campus where I was able to meet back up with Pastor Eddy Foye, another long-time prison campus team

member. I got connected with my first disciple group, but was only able to attend for a short time due to work. Pastor Greg Farah connected

me with Mike Van Bibber, and after being absent from the group for over a year, he was delighted to see me! He even offered me a part-time job working in his office.

I leave you with this hope: if you discover who at your campus is a former attendee of an Eleven22 prison campus, welcome them home. Tell them that their past no longer matters; their future is in Christ!

KEEP PRESSING FORWARD
AND BE OBEDIENT TO
THE DOORS HE OPENS.

PRIMARY GOAL

THAT EVERY ONE OF US WOULD ASK OURSELVES,
“AM I LIVING THE ABUNDANT LIFE OR AM I CHASING
THINGS THAT WILL NEVER TRULY SATISFY?”

SECONDARY GOAL

\$136 million to accomplish three gospel-centered initiatives over the two years.
Expanded from \$110 million.

With this expansion, through your generosity we will join God in more of what He is doing. He has more in store for us than we could ever imagine, and we will keep pressing forward and being obedient to the doors He opens.

A step of obedience in the direction of the Good Shepherd is always marching toward the abundant life that He has for you.

INITIATIVE ONE

\$57 MILLION
EXPANDED FROM \$50 MILLION

WE ARE A MOVEMENT FOR ALL PEOPLE
TO DISCOVER AND DEEPEN A
RELATIONSHIP WITH JESUS CHRIST.

CHURCH LIFE AT ELEVEN22

We will continue to be a church that remains steadfast in glorifying God in worship and Word by declaring the gospel and making disciples that make disciples.

As disciples, we seek to ensure that upcoming generations have a place to be discipled without hindrance; we gather in disciple groups to lift up the name of Jesus and we step onto the mission field by serving at our campuses, with local partners and around the world. We are committed to deepening our relationships with Jesus and are in anticipation of what God will do in us, through us and to us.

ELEVEN22 LIFE

Healthy families have healthy rhythms. No single event makes the impact, but the cumulative effect of rhythms over time. Eleven22 Life consists of four primary events: Easter, Beach Baptism, Saturated and Christmas Eve. We will continue to maintain these rhythms where we can join together as a faith family in worship.

DISCIPLE GROUPS

Provide curriculum for all disciple groups across the city and a place to meet for those who are unable to meet at their homes.

CAMPUS OPERATIONS

Keep the lights on and the doors open to our nine current campuses, providing 20 worship service opportunities each weekend for adults and kids. **Through your generosity we are praying toward two more campuses, totaling 24 worship opportunities in 2024.**

ELEVEN22 ONLINE

We will continue to offer worship services and next steps through our online experience and through the 10:10 Life, and accelerate our efforts to **connect and disciple** our online community through **virtual opportunities** and disciple groups.

ELEVEN22 STUDENTS

Continue to invest in one more generation, **discipling middle school and high school students** through our worship environments. As well as increase the number of camp opportunities, inviting them to take a next step in being disciples that make disciples.

NEXT STEPS

Every step matters, and as we move into the next season of the 10:10 Life we will have more opportunities to get **baptized, serve** locally, join a **disciple group** and **go on mission**. We will not take our foot off the gas in discipling people in their next step.

INITIATIVE TWO

\$50 MILLION
EXPANDED FROM \$32 MILLION

GO THEREFORE AND MAKE DISCIPLES OF ALL NATIONS, BAPTIZING THEM IN THE NAME OF THE FATHER AND OF THE SON AND OF THE HOLY SPIRIT. —MATTHEW 28:19

WE WILL CONTINUE TO MAKE ROOM FOR ONE MORE...

...TO THE ENDS OF THE EARTH

We have been given the knowledge of eternal life. Through this knowledge we are called to take the gospel to the ends of the earth, sharing the good news of Jesus Christ to all nations and tongues.

Through the 10:10 Life discipleship journey, God is continuing to open doors to:

Exceed our goal of partnering to plant 200 local autonomous churches around the world, training pastors to reach one more through discipleship and local outreach in their communities.

Exceed our goal of sending 15 more long-term missionaries out of Eleven22, these are people who are leveraging their lives to bring the gospel through cultural barriers and light into dark places.

PARKING SOLUTION

Complete construction and finalize plans for the garden center, paving the way for a parking solution that will create more than 400 spaces at the San Pablo campus for one more to discover and deepen their relationship with Jesus Christ.

Long-term mission: Zambia, Africa

Church Plant: Vertical Church

...TO JACKSONVILLE AND BEYOND

We will plant Eleven22 campuses wherever God leads!

Incredible things are happening in the St. Johns community! In addition to completing the permanent building for the St. Johns campus, **we are praying toward a portable campus in Ponte Vedra High School.**

We are also praying to finalize a contract that will **open a campus in Yulee called Wildlight.** This campus will be at the entrance of this community, creating discipleship opportunities in an up-and-coming neighborhood.

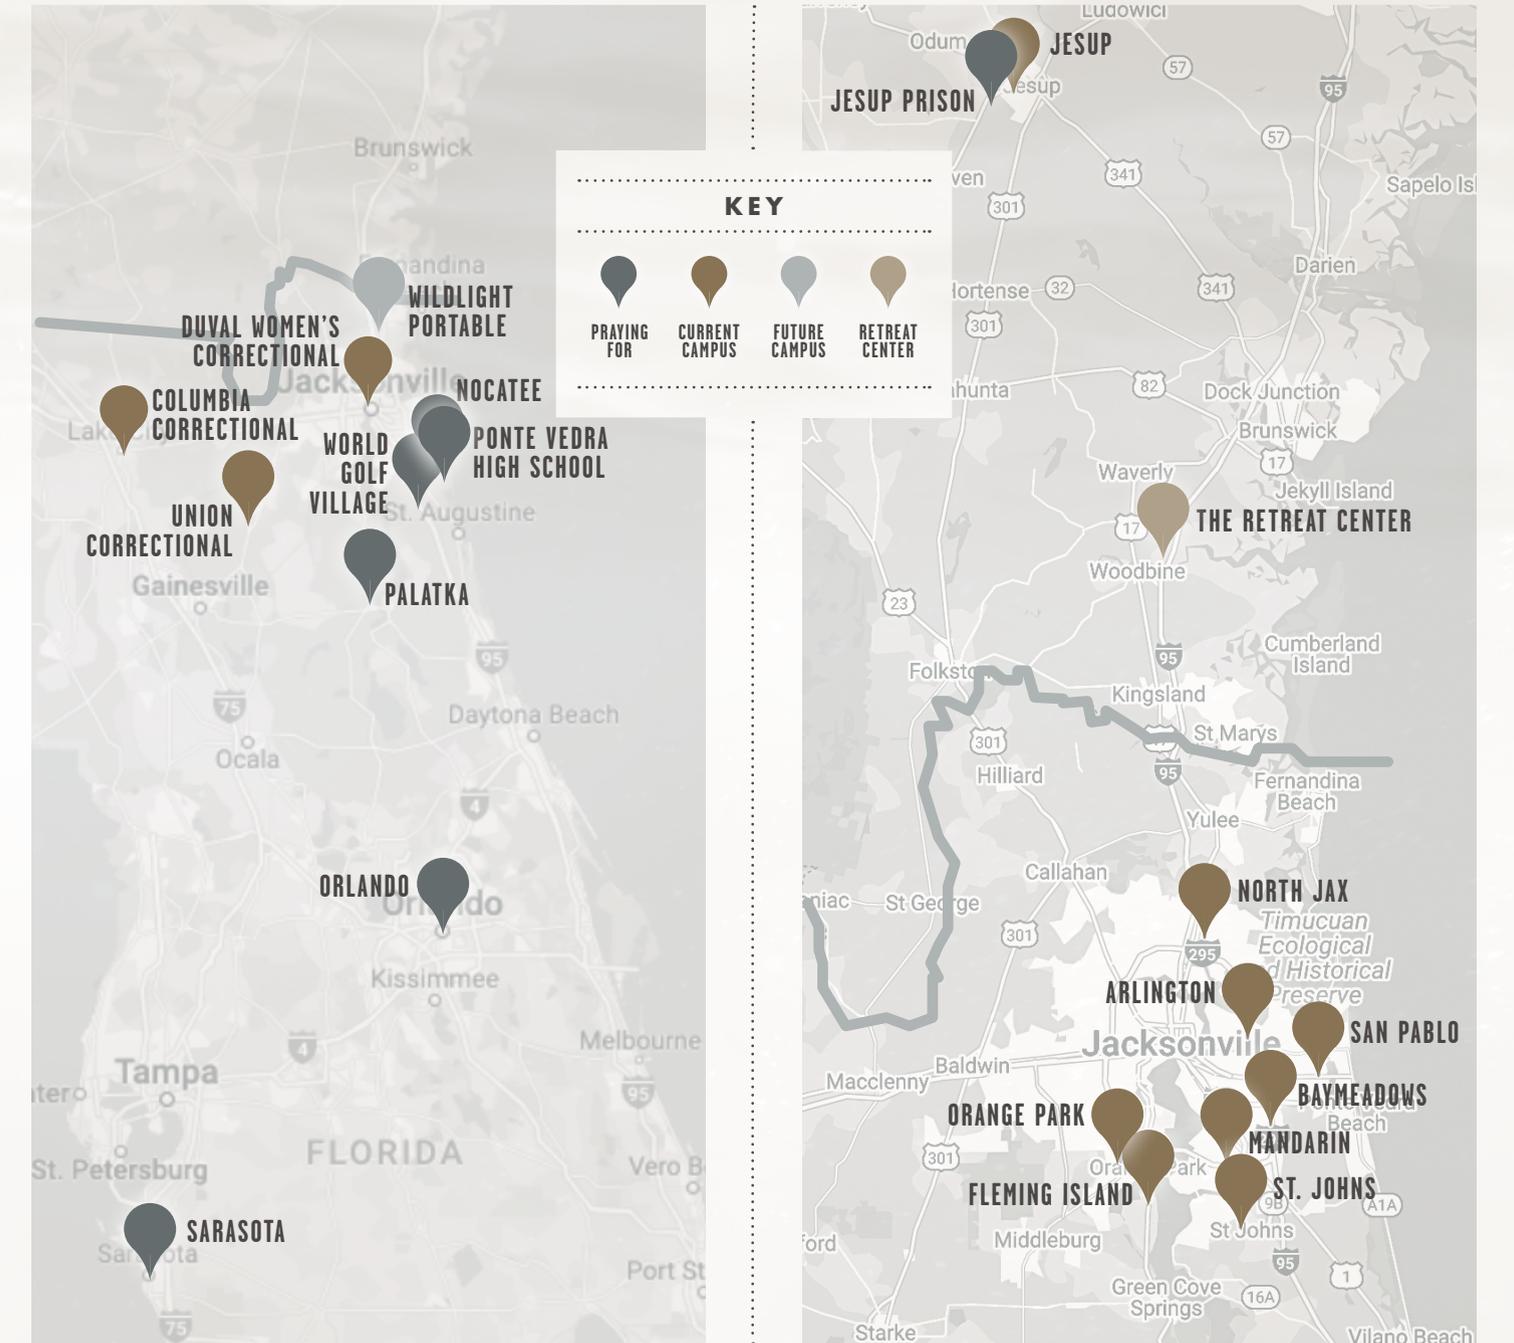

In Orlando, we are having interest nights and praying for how we can partner with the **4,000+ people who are attending** there online each week.

God is moving in Sarasota, and we just want to be a part of what He is doing. Over 200 people are gathering together on the weekends, hosting their own Eleven22 service.

WHERE WE ARE GOING

As a church, our goal is to launch ²²10 campuses by the end of 2029. Through the 10:10 Life, we will continue to launch campuses as well as pray for areas that God is leading us toward.

INITIATIVE THREE

\$29 MILLION
EXPANDED FROM \$28 MILLION

I PRAISE YOU, FOR I AM FEARFULLY AND
WONDERFULLY MADE. WONDERFUL ARE YOUR WORKS;
MY SOUL KNOWS IT VERY WELL. —PSALM 139:14

God is not slowing down in the fight for His people, and we are walking in obedience through the doors He opens as He brings people into an abundant life with Jesus.

As we continue in the fight...

WHAT'S NEXT

In support of our first responders, our **chaplain training will soon be fully underway** and additional stop stations will launch as permanent campuses are built.

We have plans to partner with Foster Friendly through an app to **connect foster families with local businesses** that offer discounts and resources.

As we roll out the red carpet for families in the special needs community, we are praying for:

- **a sensory-friendly adult environment at San Pablo**
- what foster care would look like specifically for kids with special needs
- the expansion of Night to Shine in Jacksonville, multiplying the number of events that we are hosting

In our fight for the unborn we have plans to create new serve opportunities to **support pregnant mothers in low-income communities** and provide additional resources through funding, training and hands-on serving through our local partners.

We have plans to **partner with a Christian mental health facility, which will help us continue to educate and equip our Care team** to walk alongside those who are fighting for their mental health, specifically providing pockets of the Care team with mental health first aid training.

Moving forward, we are setting out to scale prison ministry and **leverage our influence to help churches everywhere begin to adopt prisons.**

We plan to hire a Senior Adults Pastor to lead and disciple seniors who are still on mission

and care for our senior adults who can no longer care for themselves. We will not let people be forgotten; we will bring the gospel to them, with plans to **increase the number of services we are hosting in senior living facilities across NE Florida and beyond.**

We will provide additional resources and funding to our partners and through them, **give men, women and children who have been victims of human trafficking a safe place to be cared for and learn about the love of Jesus.**

As a part of the fight against childhood poverty, we will continue **sponsorships through Compassion.** And in our **partnership with the Boys & Girls Club of NE Florida and Tiny Hope, host a club in Jamaica** that our short-term missions teams will be able to serve alongside.

WHAT IS YOUR ROLE

Through the 10:10 Life discipleship journey, God is using us to impact all of eternity. Our role is to lean in, listen to His voice and be obedient to what God is calling us to next. He is first, He went first, so we respond by bringing our first and best.

NEW COMMITMENT

You recently joined our church family and are wondering, “What is the 10:10 Life discipleship journey and how do I become a part of it?” 10:10 Life is for anyone who would call Eleven22 their church home and we welcome you to the family! We hope you will join us on this journey, asking, “Am I living the abundant life or am I chasing things that will never satisfy?” Consider making a 12-month generosity commitment to 10:10 Life.

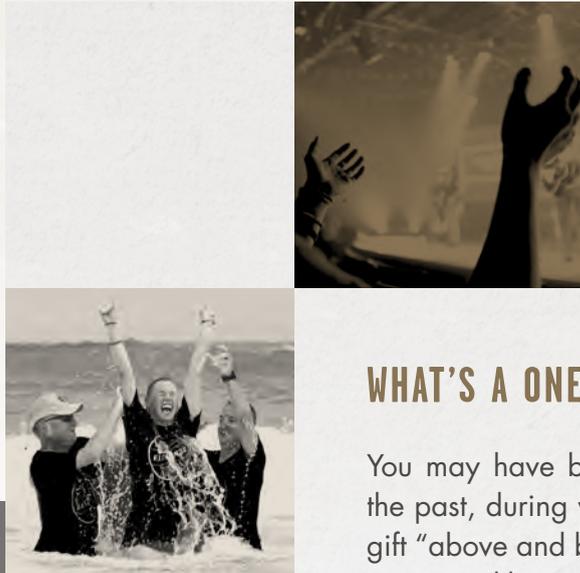

FINISH STRONG

Others made a 10:10 Life commitment one year ago and perhaps for some of us, this journey has been as difficult—or possibly more difficult—than we had envisioned. Maybe you went to a completely new level in your generosity and are still adjusting your

life to it. Maybe you have experienced job loss, job change or unexpected financial expenses. Persevere to finish strong in this journey that you began. We all stand together, encouraging one another. We know the Lord is faithful. He will provide and we want to finish strong in our commitment to what He called us to in this season.

INCREASE

Some of us made our 10:10 Life commitment one-year ago and it is possible that we have had an increase in faith or finances. It is not that keeping our commitment has been easy, because it has likely required a lot of sacrifice. But you may be sensing the Lord stretching you to take an additional step of faith in your generosity. We challenge those of you to respond to His generosity by increasing your commitment. Generosity is not a one-time event; it is a journey. Consider asking yourself these questions: What/who am I chasing? Am I still giving in a way that challenges me? Pray and ask yourself if He is inviting you into another step of faith with an increased commitment.

WHAT'S A ONE FUND INITIATIVE?

You may have been part of church giving initiatives in the past, during which you were asked to give a second gift "above and beyond" your usual gifts to make special initiatives like new buildings and new ministries possible.

Normally, you gave that gift to a "Building Fund" and you also continued to give offerings to the "General Fund." At Eleven22, we believe that it is all ONE MISSION that we're on—as a movement for ALL people to discover and deepen a relationship with Jesus Christ. So, we want to encourage all of us to unleash our generosity toward that mission.

Every gift that is given to The Church of Eleven22 will go to the three key components of 10:10 Life: Church Life, Eternal Life and Abundant Life.

We've included a copy in the back pocket of this book so you can begin to pray about your commitment and what that will mean for your journey with God as we approach the midpoint of the 10:10 Life discipleship journey. Please take time to think and pray through this, and then we will provide you with a new hard copy on Commitment Weekend, November 2/5.

GIVING JOURNEY

This tool is designed to help you move money from being an idol to money being a tool for God's kingdom. The journey focuses on the condition of our hearts, further transforming us into the likeness of Christ.

Each step of the journey represents growth in a lifestyle of generosity and sacrifice.

WHAT IS YOUR ROLE

INITIAL GIVER

Philippians 1:5-6

An **INITIAL GIVER** is someone who decides to give for the first time, out of a response to God's Word about giving. This is someone who decides to give something and trust God and the leaders of the church with this gift.

CONSISTENT GIVER

2 Corinthians 8:7

A **CONSISTENT GIVER** is someone who decides to give something and to give it on a consistent basis to exercise the discipline of giving. Often, someone who decides to make their gift an online recurring gift will be someone who is learning the behavior of consistency. Non-online givers can be consistent givers as well, of course; it just requires more discipline.

INTENTIONAL GIVER

Luke 14:28-30

An **INTENTIONAL GIVER** is someone who thinks about their giving in relation to their other financial priorities. This giver starts to make their giving an intentional choice that reflects how they prioritize it in relation to other things on which they spend their money.

SURRENDERED GIVER

Colossians 1:15-20

A **SURRENDERED GIVER** is someone who recognizes the power of the gospel and is surrendered to honoring God with 100% of their resources as a result. A Surrendered Giver is someone who gives in a way that changes them, in a way that reflects that their giving is governing their spending/saving rather than their spending/saving governing their giving. A Surrendered Giver isn't just concerned with what they ARE giving, but is more concerned with what they're NOT giving and why, and they seek to honor God with ALL He has given them, whether that means direct monetary giving or a God-honoring use of an existing resource.

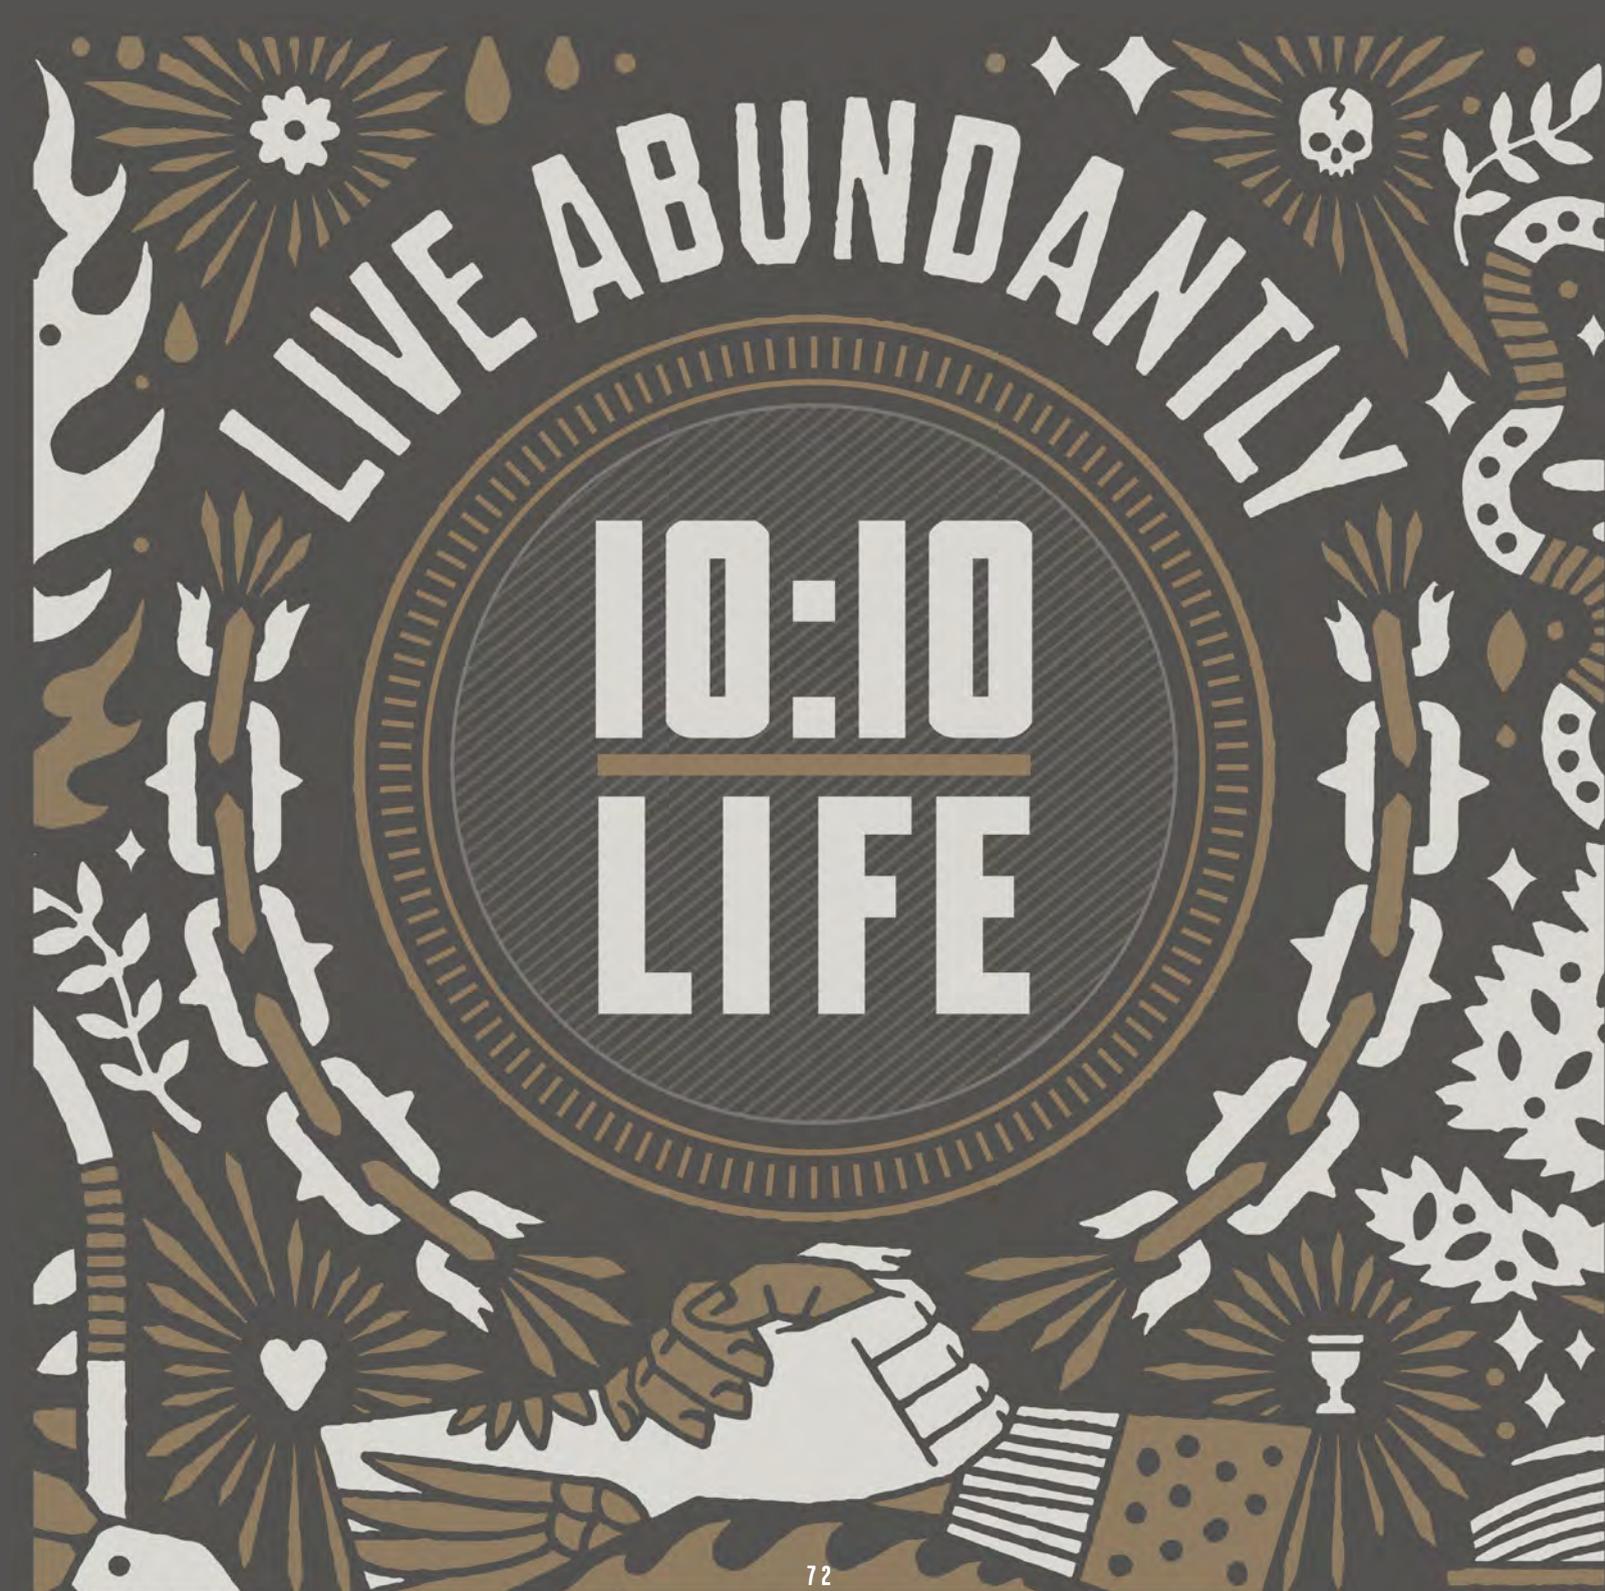

ETERNAL GIVER

1 Timothy 6:6-19

An **ETERNAL GIVER** is someone who is thinking about the longer tail of generosity rather than just the shorter term of month-to-month generosity or even year-to-year. An Eternal Giver makes decisions in the short term that have long-term effects as it relates to their generosity capacity. They think of what home they buy, what car they purchase, how much savings they choose to keep, all in relation to their generosity capacity. An Eternal Giver is driven by the things of eternity, putting their hope in God and not in the things of this earth.

WISDOM FOR THE ABUNDANT LIFE

SCRIPTURE | PROVERBS 1:1-7

- 1** The proverbs of Solomon, son of David, king of Israel:
2 To know wisdom and instruction,
to understand words of insight,
3 to receive instruction in wise dealing,
in righteousness, justice, and equity;
4 to give prudence to the simple,
knowledge and discretion to the youth—
5 Let the wise hear and increase in learning,
and the one who understands obtain guidance,
6 to understand a proverb and a saying,
the words of the wise and their riddles.
7 The fear of the Lord is the beginning of knowledge;
fools despise wisdom and instruction.

“Wisdom in this life is doing what the Good Shepherd tells us to do.”

EXAMINE

Work through the following questions and be ready to discuss in your disciple group.

- 1. In Proverbs 1:7, the author talks about fearing the Lord. What does fearing the Lord mean? What does it tell us about God's character? (Hint: Read Proverbs 14:27, Proverbs 19:23, Psalm 25:14 and Psalm 33:8)

ABUNDANT MARRIAGE

WEEK 2

OCTOBER 12/15

SCRIPTURE | PROVERBS 5

My son, be attentive to my wisdom;
incline your ear to my understanding,
² that you may keep discretion,
and your lips may guard knowledge.
³ For the lips of a forbidden woman drip honey,
and her speech is smoother than oil,
⁴ but in the end she is bitter as wormwood,
sharp as a two-edged sword.
⁵ Her feet go down to death;
her steps follow the path to Sheol;
⁶ she does not ponder the path of life;
her ways wander, and she does not know it.
⁷ And now, O sons, listen to me,
and do not depart from the words of
my mouth.
⁸ Keep your way far from her,
and do not go near the door of her house,
⁹ lest you give your honor to others
and your years to the merciless,
¹⁰ lest strangers take their fill of your strength,
and your labors go to the house of a foreigner,
¹¹ and at the end of your life you groan,
when your flesh and body are consumed,
¹² and you say, "How I hated discipline,
and my heart despised reproof!

¹³ I did not listen to the voice of my teachers
or incline my ear to my instructors.
¹⁴ I am at the brink of utter ruin
in the assembled congregation."
¹⁵ Drink water from your own cistern,
flowing water from your own well.
¹⁶ Should your springs be scattered abroad,
streams of water in the streets?
¹⁷ Let them be for yourself alone,
and not for strangers with you.
¹⁸ Let your fountain be blessed,
and rejoice in the wife of your youth,
¹⁹ a lovely deer, a graceful doe.
Let her breasts fill you at all times with delight;
be intoxicated always in her love.
²⁰ Why should you be intoxicated, my son,
with a forbidden woman
and embrace the bosom of an adulteress?
²¹ For a man's ways are before the eyes of
the Lord,
and he ponders all his paths.
²² The iniquities of the wicked ensnare him,
and he is held fast in the cords of his sin.
²³ He dies for lack of discipline,
and because of his great folly he is led astray.

SCRIPTURE | PROVERBS 6:20-7:27

²⁰ My son, keep your father's commandment,
and forsake not your mother's teaching.

²¹ Bind them on your heart always;
tie them around your neck.

²² When you walk, they will lead you;
when you lie down, they will watch over you;
and when you awake, they will talk with you.

²³ For the commandment is a lamp and the
teaching a light,
and the reproofs of discipline are the way
of life,

²⁴ to preserve you from the evil woman,
from the smooth tongue of the adulteress.

²⁵ Do not desire her beauty in your heart,
and do not let her capture you with
her eyelashes;

²⁶ for the price of a prostitute is only a loaf
of bread,
but a married woman hunts down a
precious life.

²⁷ Can a man carry fire next to his chest
and his clothes not be burned?

²⁸ Or can one walk on hot coals
and his feet not be scorched?

²⁹ So is he who goes in to his neighbor's wife;
none who touches her will go unpunished.

³⁰ People do not despise a thief if he steals
to satisfy his appetite when he is hungry,

³¹ but if he is caught, he will pay sevenfold;
he will give all the goods of his house.

³² He who commits adultery lacks sense;
he who does it destroys himself.

³³ He will get wounds and dishonor,
and his disgrace will not be wiped away.

³⁴ For jealousy makes a man furious,
and he will not spare when he takes revenge.

³⁵ He will accept no compensation;
he will refuse though you multiply gifts.

7 My son, keep my words
and treasure up my commandments with you;

² keep my commandments and live;
keep my teaching as the apple of your eye;

³ bind them on your fingers;
write them on the tablet of your heart.

⁴ Say to wisdom, "You are my sister,"
and call insight your intimate friend,

⁵ to keep you from the forbidden woman,
from the adulteress with her smooth words.

⁶ For at the window of my house
I have looked out through my lattice,

⁷ and I have seen among the simple,
I have perceived among the youths,

a young man lacking sense,
⁸ passing along the street near her corner,

taking the road to her house
⁹ in the twilight, in the evening,

at the time of night and darkness.
¹⁰ And behold, the woman meets him,

dressed as a prostitute, wily of heart.
¹¹ She is loud and wayward;

her feet do not stay at home;
¹² now in the street, now in the market,

and at every corner she lies in wait.
¹³ She seizes him and kisses him,

and with bold face she says to him,
¹⁴ "I had to offer sacrifices,

and today I have paid my vows;
¹⁵ so now I have come out to meet you,

to seek you eagerly, and I have found you.
¹⁶ I have spread my couch with coverings,

colored linens from Egyptian linen;

¹⁷ I have perfumed my bed with myrrh,
aloes, and cinnamon.

¹⁸ Come, let us take our fill of love till morning;
let us delight ourselves with love.

¹⁹ For my husband is not at home;
he has gone on a long journey;

²⁰ he took a bag of money with him;
at full moon he will come home."

²¹ With much seductive speech she persuades him;
with her smooth talk she compels him.

²² All at once he follows her,
as an ox goes to the slaughter,

or as a stag is caught fast
²³ till an arrow pierces its liver;

as a bird rushes into a snare;
he does not know that it will cost him his life.

²⁴ And now, O sons, listen to me,
and be attentive to the words of my mouth.

²⁵ Let not your heart turn aside to her ways;
do not stray into her paths,

²⁶ for many a victim has she laid low,
and all her slain are a mighty throng.

²⁷ Her house is the way to Sheol,
going down to the chambers of death.

SCRIPTURE | PROVERBS 16:3

³ Commit your work to the Lord,
and your plans will be established.

PROVERBS 18:9

⁹ Whoever is slack in his work
is a brother to him who destroys.

PROVERBS 19:15

¹⁵ Slothfulness casts into a deep sleep,
and an idle person will suffer hunger.

PROVERBS 20:4

⁴ The sluggard does not plow in the autumn;
he will seek at harvest and have nothing.

PROVERBS 20:10

¹⁰ Unequal weights and unequal measures
are both alike an abomination to the Lord.

COLOSSIANS 3:17

¹⁷ And whatever you do, in word or deed,
do everything in the name of the Lord Jesus,
giving thanks to God the Father through him.

READ

Ask the Holy Spirit to help you understand the Scriptures in front of you and start reading Proverbs 16:3, Proverbs 18:9, Proverbs 19:15, Proverbs 20:4 and Colossians 3:17. Interact with the text by underlining any repeated words and circling words or phrases that stand out to you. Read through the Scripture at least two times.

EXAMINE

Work through the following questions and be ready to discuss in your disciple group.

1. Look at the verses again. Compare and contrast what happens to the lazy person and the person who works unto the Lord. What do you observe?

.....

.....

.....

2. Do you fall more on the spectrum of idolizing work and believing it is the giver of life or being lazy and not believing work is important? What evidence in your life shows this?

.....

.....

.....

3. What specifically does it look like in your life to have an abundant work life rooted in simultaneously resting in God and building His kingdom?

.....

.....

.....

APPLY

Take what God has shown you through your time in His Word and, reflecting on the previous questions, apply it to your life this week.

1. Take an inventory of your work life (your vocation outside of the home or your vocation inside the home, like a stay-at-home parent).

Write down:

- How many hours a week you work.
- What your attitude is most of the time towards your work (grateful, aggravated, etc.)?
- What is the healthy fruit and the rotten fruit produced from your work?

.....

.....

.....

2. Bring these results to the Lord and receive His gentle reminder that your identity and value is found in Him alone. Share the results with your spouse or a trusted friend and pray over them together.

PRAY

Lord, thank You first and foremost for Your work on the cross. You said, "It is finished" and I am believing that counted for me. Help me to believe that my identity is found in You alone and that my work here on Earth is all for You. Change my heart to a heart of gratitude and compel me to pour out my life for the sake of the gospel. Amen.

FAMILY TIME

Gather your family around a meal and ask everyone to share an example of God doing work in the Bible and calling others to work for His purposes. Talk about how God gave Adam and Eve good work to do in the garden before they sinned. Work was not a punishment for sinning. God has called each of us to join Him in His kingdom that is being built with the future hope of knowing all work will one day be redeemed by Him and full of worship of Him.
