

## A few questions we have gotten along the way:

---

- **How did I get invited?** Someone told us, you are a leader/influencer at Eleven22 or you have the potential to be.
- **What is the ask?** This is a time to gather together with other Eleven22ers, dig into the Word, enjoy fellowship together and to become more engaged in the vision of Eleven22.
- **Why Vision Summits?** As you have likely heard Pastor Joby say, the problem with adults is they quit going to camp. So, we have created a camp-like experience where we can turn down the noise of this world and lean into God.
- **What is the Retreat Center like?**  
The Retreat Center is fully equipped with everything you would need including fully furnished cabins with AC.

- **Is my spouse invited?** Yes, we would love to have you attend together.
- **Can we bring our kids?** No, this is an adults-only event.
- **I have a special diet; is there a kitchen where I can make my own food?** No, but we will work with you and our caterers to accommodate your dietary needs. Please email us with the details of your requirements.
- **Can I invite my friends/neighbor?**  
While we would love for your neighbor to attend, this is an invite-only event as we can only accommodate so many people at The Retreat Center. We would love to receive their information and invite them to a future event.
- **Can I participate in extra activities?**  
We do offer activities such as golf, fishing, clay shooting, bike riding and pickle ball. We ask that you sign up for these activities by emailing [Visionengagement@coe22.com](mailto:Visionengagement@coe22.com) as to what activities you would like to do.
- **What time is check-in?** We ask that you arrive no later than 5:30pm and arrive no earlier than 2pm. For activities, please plan to arrive at 2pm.
- **What time is check out?** Our last session finishes up with lunch starting at 12pm.
- **Do I have to stay the entire time?** Yes, we ask that you commit to the entirety of the Vision Summit. Our time together culminates in a time of prayer that you won't want to miss.
