

# Heaven and Nature Sing

## E22 Worship

### **Intro: X2**

### **Verse**

Joy to all the world  
The Lord has come  
Let every heart rejoice  
And make Him room  
Darkness has to leave  
As we welcome the Prince of Peace

Joy to all the world  
The Lord has come

### **Chorus**

Let heaven and nature sing  
Hallelujah  
Let earth receive her King  
Hallelujah  
Come join in the chorus  
Of angels and saints  
Praising no other name  
Let heaven and nature sing  
Jesus Christ is born  
He is born, He is born  
Emmanuel is born  
He is born, He is born.

### **Verse 2**

Joy to all the world  
Our Savior reigns

He rules with truth and grace

Forevermore

All creation big and small

Echoes eternal songs

Joy to all the world

Our Savior reigns

### **Chorus**

### **Bridge**

Our hearts are overcome  
By the wonders of His love  
He made a way when there was none  
Oh the wonders of His love  
Our hearts are overcome  
By the wonders of His love  
Emmanuel God with us  
Oh the wonders of His love
