LEADER NOTES

Week 2! We pray that you have continued excitement for the way the Lord is moving in your group. Continue getting to know your members and encouraging commitment. **Please read these notes weekly. They will hold important information and updates.**

We're choosing to build this group on a shared commitment to follow Jesus together. A healthy group culture doesn't happen by accident. We must cultivate it through prayer, showing up, trust, respect, honesty, and a shared pursuit of growth. We will make space for every voice, protect one another's stories, look to Scripture as our authority, and point each other toward Jesus rather than simply offering advice. We'll choose vulnerability over hiding, remembering that we are all in process and that our identity comes before our activity. Most importantly, we believe healthy things grow: this group isn't just about what God wants to do in us, but what He wants to do through us as we become disciples who make disciples.

DISCOVER

Next week we will discuss Acts 1, so tell your group to read Acts 1 before you meet again. Our goal isn't simply to get through Acts. It's to cultivate a rhythm of meeting with God through His Word. Each week, we'll read one chapter together and use guiding questions to help us engage with Scripture. Whether the win is simply reading or diving deeper, our goal is to help 1825s build a personal rhythm of engaging God's Word beyond the group.

CURRICULUM GUIDE

Impossible to Possible

Season 6, Episode 4

August 30 - September 5

Sermon Text(s): Genesis 1:27; 1 Samuel 16:7; 1 Chronicles 29:11; Psalm 110:1, Matthew 10:32-37, 16:24-25, 22:15-46; John 5:24, 14:15, 17:3; Romans 1:16, 6:23, 13:1,6-7; 1 John 2:3-6, 5:11-12

Big Idea: Jesus didn't come to negotiate for a place in our lives. He came to be Lord over our whole lives, calling us to surrender everything to Him and find true life in Him.

Connect Question: If you could have a completely responsibility-free day, how would you spend it?

DEEPEN

Read Matthew 22:15-46

1. What has God revealed to you about Himself through the Scriptures and through the sermon this week?

Surrender vs. Negotiation

2. Why does it that surrendering to God is more challenging than negotiating with God?

3. What do you find yourself being tempted to negotiate with God about?

What Has Your Heart?

4. Jesus tells the Sadducees that they are wrong because they know neither the Scriptures nor the power of God (Matthew 22:29). Why do you think both knowing Scripture and knowing God's power are important for following Jesus?

5. What tends to have the greatest influence over your decisions: your feelings, culture, family expectations, personal desires, or God's Word? What makes that influence so powerful?

Love God. Live it Out.

6. "To know Him is to love Him. To love Him is to trust Him." Which of those three—knowing, loving, or trusting Jesus—do you find easiest or hardest right now? Why?

Jesus is Lord.

7. What is the difference between wanting Jesus to lead your life and wanting Jesus to be Lord of your life?

8. Take honest inventory. If someone looked at your life rather than simply listening to your words, what would they conclude about what you believe about Jesus?

Sent by the King.

9. How do we show others that following Jesus is about a changed heart, not just changing our habits?
